CORONADO'S ISLAND TOUR

A SNORKELER'S PARADISE!

Coronado island is home to great snorkeling next to beautiful, white, sandy beaches. It is also home to a large sea lion colony and one of the most visited islands due to its close proximity to Loreto. A snorkelers paradise! The turquoise waters surrounding the island offer outstanding visibility for those wishing to explore the sea bottom. The island itself is covered with rocky crags, except for the southeast corner which becomes a marine turtle sanctuary at certain times of the year. Female sea turtles swim to the beaches to lay their eggs. If you prefer to stroll around the island instead of relaxing at the beach under a "beach palapa," you will find many species of animals and indigenous plant life. Our three-hour adventure doesn't just stop at the beach, we take you for a lap around the island to see all the wildlife, including the sea lion colony.

Includes

- Boxed Lunch
- Fruit
- Nutri bar
- Soda, Water & Beer
- Life Jacket
- Fins
- Snorkel

Available all year

- 9:00 am - 1:00 pm
- 2:00 pm - 6:00 pm

SAN JAVIER MISSION EXPEDITION

The San Javier excursion into the past is a three-hour air-conditioned trip riding in the comfort of a modern Mercedes van. You will enjoy dazzling views while climbing into the Sierra de la Giganta Mountains. Visit the historic edifice of a fully standing ancient Jesuit mission. Stroll through the cobblestone streets of town, luscious fruit orchards, and the oldest olive garden in Baja. Afterward we travel back down the mountain roads to view the ancient cave paintings at “Cuevas Pintas.” Our journey into the past would not be complete without trying the unique tastes of delicious Mexican food, including handmade tortillas and fresh cheese from a local ranch. After touring the Mexican village, we will stop to enjoy a tasty lunch. Upon heading back to Loreto, we experience our best moment yet as we catch more panoramic sunset views.

Includes

- Traditional lunch at a local restaurant
- Soda, Water & Beer

Available all year

9:00 am - 1:00 pm
2:00 pm - 6:00 pm

What to bring on the tour

- Sunscreen
- Comfortable shoes

HORSEBACK ADVENTURE

Come and enjoy one of the most relaxing experiences in the Baja desert while admiring the Sierra la Giganta Mountain range and the Sea of Cortez in the distance. During the tour, our expert guide will show you our local and endemic flora and fauna, have a talk about the history of the people who lived in this region before the arrival of the missionaries, and explain how the life of the descendants was developed. The walk starts with a short introduction of the tour and a 10-minute horse management explanation. After leaving the meeting point, we head off to the desert, taking one of the oldest roads and crossing several canyons, all while enjoying breathtaking views of the Sierra la Giganta and Sea of Cortez. Our journey lasts approximately two and half hours, making a stop to have a cold drink or enjoy an energy bar. It is one of the best experiences in the Baja desert and definitely a must do on your list!

CONCEPTION BAY EXPEDITION

Come join us on an adventure to one of the most beautiful beach spots in Mexico! Turquoise waters and white sandy beaches blanket Conception Bay! Venture off on our Mulege Surf and Turf tour where you will explore the beach and learn about Baja culture and history on our visit to the Mission in town. Take in magnificent views of the Baja Desert, Sierra de la Giganta, and part of the Sierra de Guadalupe. On arrival to the town of Mulege, we take a light walk around the village, passing by the 3rd mission established in Baja California by the Jesuits, take in a panoramic view of the village, and enjoy a delicious meal at a local restaurant! Join us while we find beaches of white sand, hills of volcanic stone, and history filled with cobblestone streets and crystalline waters of turquoise color.

OUTBACK CANIPOLE CAVE PAINTINGS

In the northern region of the State of Baja California Sur, there is the San Francisco Mountain range where there is one of the nuclei of cave paintings that abound throughout this area. Hundreds of years before the arrival of the Missioners, the inhabitants of the Baja California Peninsula organized in tribes of huntsmen. Most of the knowledge that we have from that time has been collected from the accurate reading of cave paintings. Join us for a time travel activity with our knowledgeable guides. Along the way you'll enjoy beautiful landscapes that go from the imposing La Giganta mountain range to hundreds of hectares of fertile soil till we reach the meeting point where we will leave the van to start a 45-min walk into the heart of the mountains to discover the cave paintings. As we walk, your guide will explain details of the fauna and flora found there.

Includes

- Water and snack bar
- Lunch at local restaurant

Available all year long

9:00 am - 3:00 pm

What to bring on the tour

- Sunscreen
