The minister's ceremony lasts approximately 30 minutes and is spoken in English or Spanish. All ceremonies included in our wedding packages are symbolic and performed by a non-denominational minister. While they are not legally binding, they are an essential and meaningful part of the wedding event. The ceremony is conducted with all the expressions of love, ensuring that every couple has a truly positive and meaningful experience. Each couple receives a commemorative marriage certificate, and there is no additional paperwork required.

If you would like to get married legally in Mexico, please contact our wedding consultants, they will send you information about the requirements and additional fees.
